M & M's

This week in celebrating the Body and Blood of Christ we share in the celebration of First Communion for the young people of our parish. We congratulate these young people in making an important commitment to Christ. When each of us received the Eucharist for the first time we made an implicit commitment to Jesus that we could not live without Him in our lives and that we need to be nourished by Him in His Body and Blood every week. By receiving Jesus in the Eucharist we acknowledge that He is our Lord and Savior and that, as we need to eat food every day in order to live, we need to be nourished by Jesus every week and for some of us every day. These are the young people receiving Jesus in the Eucharist for the first time at the 8:30 am mass:

In our preface today we are reminded that Christ gave us His Body and His Blood to share. The preface proclaims: "As we eat his body which he gave for us, we grow in strength. As we drink his blood which he poured out for us, we are washed clean." It has been almost 30 years since Communion under both species has been restored to our worship, yet many Catholics still pass by the cup with little thought and often see it as less sacred than the body of Christ. Today we are reminded of the richness of both elements and of Christ's command to us both to eat and drink.

HAPPY FATHER'S DAY

We wish a happy Father's Day to all our dads in the parish and for all priests on this day who are so graciously called Father. May all Fathers be blessed by God and share in the love and forgiveness God the Father provides for us, especially through His Son who has given His life that we may be free of the evil within this world. May all Fathers be a good example of the love and forgiveness God the Father provides for us.

POLICY RE: CHAPEL CLOSING

During the hurricane season, we ask that all Adorers be attentive to notices issued by Government in the event of a hurricane warning. Under such circumstances, we must be under obedience to Government instructions. Therefore, if there is an announcement that Government offices will be closed at a certain time due to the proximity of a hurricane, the Chapel will also be closed at that time.

HAPPY FATHER'S DAY! St. Ignatius Youth Ministry would like to wish all fathers a happy day! A big thank you to all those who participated in the spiritual bouquet/cards for fathers over the past two weekends. We raised \$1,612.00 which will go to the St. Ignatius/Dorothy Rice Memorial Scholarship Fund.

Next Weekend will be the last Religious Education Classes. Classes will resume in September.

Next Saturday , Confirmation and Pre-Confirmation Classes will have Social at Ristorante Pappagallo after the 6:00 pm mass.

This Week...

The story of Moses in Exodus describes the *old* covenant, sealed with the blood of a sacrifice. The story of Jesus in Mark's Gospel describes the start of the *new* Covenant; after the meal the group goes to the Mount of Olives, where Jesus is prepared to seal the Covenant between people and God with his own blood, the blood of a perfect sacrifice. The explanation in the letter to the Hebrews compares the high priest of the old covenant to Jesus, who is the new high priest of the new Covenant.

For Your Reflection

Jesus describes a very specific setting that his two disciples will encounter in the city. It must have been astonishing for them to discover everything that Jesus foretold.

When those two disciples set out for the city, do you think they thoroughly trusted Jesus and believed that things would be exactly as Jesus had predicted, or do you think they might have had a "Let's wait and see how this whole thing happens" attitude?

What would your attitude have been if you were given such a descriptive prediction of what you were going to find?

How would you feel when things turned out exactly as they were described? Would you feel eerie? trusting? frightened by the power?

Would you be more drawn to the person who made the prediction (from admiration or awe)? Or would you be driven away from that person (from fear or a haunting sense)?

There is a lot of talk about blood in these readings. Blood was mysterious in the days before biology and an understanding of life functions. People would be sprinkled with the blood of sacrificed animals; people would sign important documents in blood.

Do you become upset or feel that you might faint at the sight of someone's heavy bleeding?

When you were a small child, how did you react when you hurt yourself and then saw blood? Did seeing the blood make you feel more afraid and cry louder? Or did it distract you, bring out your curiosity, and calm you down?

What do you think is the connection between the age-old human fascination with blood and Jesus' telling us that the bread and wine we receive in his name are actually his true body and blood?
